## Woodland Getting Two Walmart Neighborhood Markets

File photo of a Walmart Neighborhood Market.

WOODLAND-

Two Walmart Neighborhood Markets are coming to Woodland, one of which is already hiring.

The new store on California Avenue will add about 65 new jobs, a Walmart spokesperson said. It is expected to open in the fall and hiring will begin soon.

A second store, at the County Faire Mall on Gibson Road, is already in the process of adding 75 jobs.

The average full-time wage at one of these stores is \$12.93 an hour, according to a news release from Walmart.

If you're interested in applying for one of these jobs, [head to Walmart's careers site here](#).
