Walmart will hire up to 95 associates to work at the new Walmart [Neighborhood Market](#) slated to open this summer in Vallejo.

A temporary hiring center has opened at 3837 Sonoma Blvd., Vallejo, to facilitate the application process and interviews.

Applications will be accepted from 8 a.m. to 5 p.m. Monday through Friday. Interested applicants should apply online at <http://careers.walmart.com>. Online kiosks are also available at the hiring center.

According to store manager Vicki Rafael, the store will be hiring both full- and part-time associates.

“We are excited to bring the first Walmart Neighborhood Market to Vallejo and bring good jobs with great career opportunities to the area,” said Rafael.

Walmart provides a benefits program to eligible full- and part-time associates. For example, it provides a variety of affordable health and well-being benefits including health-care coverage with no lifetime maximum. The average wage for full-time hourly Associates in California is \$12.93.

Walmart also offers eligible associates matching 401(k) contributions of up to 6 percent of pay, discounts on general merchandise, an Associate Stock Purchase Program and company-paid life insurance. Additionally, eligible associates receive a quarterly incentive based on store performance.

The majority of associates will begin work in June to help prepare the store for its grand opening.
