Dear David,

On behalf of the Golden Gate Business Association (GGBA), the Nation's First LGBT Chamber of Commerce, we want to congratulate you on your achievement of making the San Francisco Business Times List of 'Top 25' LGBT Businesses for 2015! The GGBA has been working closely with Mary Huss, and her amazing team at the Business Times, on this landmark initiative. We are incredibly proud of the final list for 2015 and we are grateful for the nearly 100 businesses that were submitted for consideration to this List.

It has been a very dynamic year for GGBA and the LGBT business community in San Francisco, the Bay Area and California. Within the last 18 months the GGBA championed the passage of California Assembly Bill 1678, which provides access for LGBT businesses to the supply-chains of all California-based Public Utilities. We led efforts with the National Football League (NFL) in the historic inclusion of LGBT businesses in the procurement opportunities leading up to Super Bowl 50 to be held at the new Levis Stadium in Santa Clara next year. In a 'tip to our Founders' we celebrated the 40th Anniversary of the GGBA with a grand event at the San Francisco Opera House.

As you know the 2015 Top 25 LGBT Business List was based on ownership (at least 51% LGBT-owned) and ranking (number of employees). Thank you for the commitment, the tenacity and the acumen that it takes to grow a business to the level that you have achieved. You are a source of pride for the LGBT community!

We look forward to seeing you at the event on Thursday, June 11 at the Four Seasons. We will have a special Achievement Award for you that evening in addition to the program that the San Francisco Business Times has planned. GGBA Member Christopher Dydyk will be on site to take photos at the event as well.

The Board of Directors of the GGBA looks forward to collaborating with you in the coming year as we celebrate your amazing achievements in business, job creation and community support. You are an inspiration to many.

Sincerely,
