CNN featured client [Save the Redwoods League](#) with Virtual Reality tech that really brings the giants to life.

Holiday Happenings at LCI

Each year at [LCI](#), we pick a deserving local non-profit to make a donation in honor of our colleagues, clients and partners. This year, the

Bay Area Cabaret

recipient is [Bay Area Cabaret](#). Bay Area Cabaret, a performing arts institution that showcases singers at San Francisco's historic Venetian Room, is keeping the art form of cabaret alive, while expanding its very definition to include new kinds of music and artists. You can learn more about Bay Area Cabaret's work and read an interview with the organization's Executive Director, Marilyn Levinson, on the [LCI Blog](#).

Super Storytelling

[CNET Roadshow](#) host Brian Cooley explains lidar with the help of client [Velodyne Lidar](#) and its inventor and founder David Hall.

LCI's new offering, *Super Storytelling*, helps any business tell its story in a way that everyone understands.

If you struggle with a business that's difficult to explain - or a staff that explains that business 100 different ways - let us help you tell that story, simply and succinctly. Contact **Brianne Miller** (brianne@landispr.com) for more info.
